

Health Tips for Traveler

by David W. Goldman

Since the short time from mutual greetings of worlds, many Earther wish to visit the lovely world of the Pooquar peoples. This explainer before so will bring yourselves a voyage most lovely.

Within The Transit

The travel via cross-continuum portal will be novel to many Earther. Hydration is a paramount for not having the small problems of liver, marrow, blood tubes, and self memory. Also good before your trip is to make fat, especially under the skin. The scrawny traveler should begin preparation many week prior.

Portal going is sudden and then done. But many Earther say after that they think the journey is very very very long and never to stop. Thus is Earther brains supposed bad attuned to one or more of the interim journey continuum. For thus, non-conscious makes for most lovely travel. Means of non-conscious both pharmacological and percussive are on offer by helpful Pooquar portal agents.

As the Early Days

Because subtle differences in physics regulations from what most Earther are parochially accustomed, the traveler is suggested to acclimate in the “horizontal” position until local niceties of unreliant gravity, time-keeping, and atmospheric presence become appreciated. Acclimation such will entertain you for no more than

two—or for some traveler, twenty or thirty—“days.”

While thus occupied with your appreciation of localness, helpful Pooquar hostelry staffpersons will provide you with lovely hydration and fat-making nutritionals. For your best healths, stint not on your consumption.

Touring the Out-Vicinity

While you delight yourselves in the appreciation of very-known scenics as the Flowing Up Falls of Nagbaf, the Lesser Half Dark Big Hole, the Plain of Many Breath Sucks, and other such lovely vicissitudes, some attention to health and safeness are ordered.

Firstmost, if urgent advised by helpful Pooquar tour leader, immediately disobey not! Your very life endurance may happen. This is especially as pertains to stepping away from lovely trails, consuming unadvised nutritionals, perusing explainers offered by exiled dissident non-persons, or providing unsolicited refreshment to local fauna/flora/other life-beings.

Next, maintenance your lovely all-enwrapping tourist jumpsuit and coverall always. The presentation of the skin, even a small only piece of the skin, is discouraged for health. This from the fad of local life-beings to reproduce by injecting seed-forms into passing faunas, later to germinate and partake of the subcutaneous lipids in achieving bigness. Thus is best always your jumpsuit and coverall with integrity. (Small note: In the event of any rash of discolor or tendrils from the skin please notify immediately your helpful Pooquar tour leader for the swift extirpation.)

In finality, avoid districts of elevated temperature and humidity. In these grow the grubs of local life-beings, who may exhibit unsolicited hunger of lovely Earther visitor.

After leaving the out-vicinities, you should place the above-spoken biologic factual concerns far from your self memories.

Of the Urban Jollity

In welcome for subsequent your joyful tours of the out-vicinities, the Pooquar peoples of the citified regions will ply you unsparingly with lovely bring-home curios and appliances and also nutritionals without betterment for taste and skin-fat-making. Enjoy all these with loveliness!

In the cities is no great harm for concern of health. But be full of alert to avoiding speech from irksome disagreeers with lovely policies of the governings of the Pooquar peoples. Such talkers of stupid are not amiable with the lovely Earther to travel of yourselves across continuum and returning with lovely Pooquar guests. If approached by busybody of imbecile forebodings regarding Earther traveler, heed not but call loud and with strident!

Many are the friendly Pooquar peoples who find lovely the Earther holding of limb extrusions in greeting. When such friendly Pooquar enjoin with protruding outstretched, please enjoy the removing of any encumbrance glove, sleeve, or trouser legs for sharing in the lovely joint-holding of limb parts. Stay fast so long as to experience lovely sensation of pleasant tingling, warmth, and small piercings. All is joy then for your new friend and yourselves.

In rarity, the Earther of sympathy and astute may note a small beautification of the skin with lovely color or perhaps small outswellings. When such occurs within urbanity, please request of any apothecary for much cream of obscuration, so as to prevent envy and jealous from other Earther during your remaining voyage and after return.

For your final days of the lovely world of the Pooquar peoples, enjoy many sights and tastings while arranging your self memories for later saying to lovely Earther friends to make soon visits of themselves.

After the Returning

To follow your restore of conscious after portal journey, seek out many Earther friends to say of the joy of your most lovely voyage. Remember also to share the many discount traveling coupons provided to you by helpful Pooquar disembarking agents.

After some days from your voyage, many Earther feel a big sad of missing for the lovely world of the Pooquar peoples. This sad may have big heavy of the limbs, paining in abdomen, inside the head strikes, blood-making from here and there, and other such small emotions.

Best for this sad is to retreat with quickness to special place for to arrange your self memories to loveliness. Your special place should have elevated temperature and humidity. Also it will be most healthful to be a place where nearby pass many lovely Earther.
